

Virtual Teamster Rally
with Teamsters General President Hoffa:
Defeat Prop 22 and Save our Jobs!

CALIFORNIA TEAMSTERS
ARE GETTING OUT THE VOTE TO DEFEAT PROP. 22

On Tuesday, November 3rd, millions of Californians will vote on the most threatening ballot initiative in California Teamster history – Prop. 22.

Greedy billionaire corporations like Uber and Lyft have spent \$200 million to try to buy a law to allow them to deny basic job protections to workers: minimum wage, health and safety, overtime, worker's compensation, social security, Medicare and Union rights.

Prop. 22 would those companies to compete directly with Teamster employers in package delivery, transit, school bus, and more. If we don't beat it, they will be coming after our jobs!

Join Teamsters General President Hoffa and Teamster members from around the state as we hear from Teamsters in the key industries threatened by Prop. 22, and learn how you can help defeat this dangerous Proposition!
